

Invent your own noun!

What noun have you chosen to reinvent? Try to think of a noun that wouldn't have existed during the Roman Empire.

My Noun is lightbulb

My Noun's Declension	
Subject (called the nominative)	lightbulba
Direct Object (called the accusative)	lightbulbam
Indirect Object (called the dative)	lightbulbae

1. Write a sentence using your noun as the subject. Remember to add the correct ending to your noun!

The lightbulba flickered in the dark.

2. Write a sentence using your noun as the direct object. Remember to add the correct ending to your noun!

The man fixed the lightbulbam.

3. Write a sentence using your noun as the indirect object. Remember to add the correct ending to your noun!

The lady gave a lampshade to the lightbulbae
